

# TKC Field Trips 2018

\*Grades are labeled as grade entering in fall of 18/19.

\*All scheduled field trips are subject to change due to weather circumstances, staffing or other unforeseen events.

\*Detailed field trip information will be posted on the parent sign-in table bulletin board a week prior to each trip, including times and what is needed for the trip.

\*If you know in advance that your child will not be attending any given FT day, please tell us. Most locations require us to pay in advance and this would save a cost in our budget.
